

## **BUTOH DANCE workshop in the village TATTI, Tuscany Italy**

from 4th April ( arrival) to 12th April (departure), in the easternweek  
with Maco and Hikaru Inagawa, 4RUDE.

(Fattoria)

In the workshop we will practice the basics of Butoh movement from Sunday to Wednesday morning. The afternoon will be free for reflection, walking or biking in the beautiful landscape, with an overview of the Maremma to the Mediterranean sea. From Thursday we will work for short solos, duos and groups until Saturday, which will be shown on Saturday as showing to the interested public.

The workshop takes place from 10 am to 4 pm at the studio of the `Fattoria` with parquet floor and a wide view over the landscape.

The `Fattoria` is also the accommodation in modern twin and triple rooms including a sumptuous breakfast buffet. The small village has a bar/restaurant (Wi-Fi), with which we negotiate a special price for hot dishes and menu. The language will be English, but also German, Italian and Japanese if necessary for explanatory discussions.

The Theater-Butoh company 4RUDE was founded 2005 by Maco and Hikaru Inagawa in Tokyo and has created and performed in numerous productions worldwide and has given lots of workshops ever since.

The price including 8 nights in twin or triple rooms, breakfast and workshop will be 520 Euro for the early bird registration until January 20th 2020 with payment until January 31. The normal price then will be 570 Euro.
